My Story (Testimony) ~ Have you ever actually talked to a telemarketer on the phone and listen to them move through their response in counteraction to your response? It sounds rehearsed, left without feeling, and seems like a waste of time. Our story is God's unfolding story of our lives and was never meant to seem rehearsed, without feeling, and it definitely NOT a waste of time. Every one has a story and your story is worth telling. Our focus will be identifying the "milestones" that have defined your life as you have come to know Jesus as your Savior. You have a story to tell and the Lord is waiting to use it for His glory! **Contact Dan Jester 608-843-9340**

"Currying the Favor of God"

Isaiah 58

"Why have we fasted, they say, 'and you have not seen it?
Why have we humbled ourselves,
and you have not noticed?'
Yet on the day of your fasting, you do as you please
and exploit all your workers."

Isaiah 58:3
