NEW CLASSES BEGIN TODAY

Newcomers Class Led by Pastor Curt Coddington

A class for people who would like to know more about what we believe as an Evangelical Free Church and who we are at Hillcrest.

12 Ordinary Men Led by Arlyn Hanseling

Using the book by John McArthur titled 12 Ordinary Men we will look at the disciples. The men who followed, listened, learned and spent some close time with our Lord. They were men just like you and me, yet they changed the world after Jesus left them and empowered them with the Holy Spirit.

The Gospel of John Led by Dave McCracken

We continue our study of the Gospel of John in chapter 9. Please feel free to join us even if you have not attended previously.

Young Adults Class - Acts Led by Joel and Dawn Navis

As we go through the book of Acts we will compare the differences between the church then and now.

The Book of James Led by Tom Tvrdy

In this class we will be diving into the awesome book of James. This class will be discussion based, applying what we read in the book of James to our daily lives. Come ready to share your thoughts and life experiences as we will be making this Bible study as applicable to our lives as possible.

Relat(able) Led by Daryl Hackbart

Relat(able) is a video series by Louie Giglio that looks at relationships the way God intended for them to be; looking at how we relate to God, ourselves, our parents, our friends, in dating and marriage and in relationships that seem impossible to fix. What if instead of looking for the right person, we become that person, that friend or spouse everyone is looking for? What if we start holding ourselves to the standards we expect of those around us? We only have one life to leave a permanent mark on eternity; why not make our relationships count?
