PHONE RULE:

Bring your phone/charger for the trip, even though you will not be able to use it during the week. If you do not have a camera, you will be able to use your phone (on airplane mode) as a camera on picture day. However, if you have a camera, that is preferable to a phone. If you need to contact your family during the week, leaders will have their phones available for you.

A few of the rules above might seem strange to you, but they are Urban Impact's rules and we need to respect them. Abiding by these rules is an opportunity for us to honor God and serve others.

*"So whether you eat or drink or whatever you do, do it all for the glory of God. Do not cause anyone to stumble, whether Jews, Greeks or the church of God — even as I try to please everyone in every way. For I am not seeking my own good but the good of many, so that they may be saved."
- 1 Cor. 10:31-33*
