Parents,

**What will my teen(s) be engaging with at Multiply Youth?**

Multiply Youth Ministry exists to create learners and lovers of Jesus who put their faith into action. Our whole goal is to welcome students into, and guide students through, an authentic relationship with Jesus, where they learn to think like Him, love like Him, and act like Him. To put it simply, we exist to make disciples. We do this through building intentional relationships between adults and students, who pursue a deeper relationship with Christ together.

But it does not stop there. We want to do this in a way that is effective, contagious, and replicable, so that students can welcome their friends into the same type of relationship with them. That is why we call our ministry Multiply. We exist, to put it more fully, to make disciples that make disciples. Our belief is that if we do this according to the Word of God, the will of God, and the power of the Holy Spirit, God can and will radically transform students' lives for the sake of the Gospel, the Kingdom, and His glory. Our vision is that every student in Seward County would be in a discipling relationship with somebody, whether that be a peer or adult.
