

Lead Teaching Pastor Search

Paul and Suzie Bauman have agreed to come candidate at Hillcrest, January 13th-15th, 2023. We are excited about this opportunity and ask that you continue praying for unity among the body.

About the Baumans

Paul and his wife Suzie currently live in Pleasant Hill, Iowa. Paul believes that the local church is the primary means by which God has chosen to build His kingdom. He has a heart and a passion to see the church effectively fulfill its purpose to glorify God by making disciples like Jesus did. He enjoys understanding how people are wired and work best together. Paul loves to teach God's word in a very practical way. He and Suzie are both very excited to get back into the local church after serving in the Central District of EFCA for the last two years as the Director of Church Multiplication. He has been married to Suzie for 30 years and they have four grown children and two sons-in-law, and one grandson. Suzie has been a wonderful ministry partner and an advocate for the children's ministry in the churches they have served. His previous pastoral role was as the Senior Pastor in Holdrege, Nebraska from 2007-2020.
